VETS

Designed specifically for female veterans, **Next4Vets** addresses the unique challenges of leveraging your military skills for success in the corporate world. Engage in candid dialogue with seasoned executives, peer-to-peer learning, and build a supportive network to help you navigate your career journey. Embrace this opportunity to transform your leadership potential and achieve success in your post-military career.

2025 (Virtual)
Applications Due:
January 30, 2025

Course Starts:
February, 2025

OVERVIEW

Next4Vets places a strong emphasis on strategies that go beyond technical skills and leadership competencies. It empowers women who have served in the military and helps them thrive in the corporate world. It recognizes the value of their military service and aims to ensure that their skills and experiences are acknowledged and put to good use in their civilian careers.

By providing a confidential forum, access to a network of successful women who have served in the military in leadership roles, and guidance on career development, the program addresses the unique needs and challenges faced by women who have served in the military.

Ideal Participants

- Women who have served in the military
- Leaders who want to accelerate their career progression
- Supervisors and managers at all career levels

Tuition

- Free to women who have served in the military

FORMAT

- Class size is limited to allow for personalized instruction and focused coaching
- Four virtual, two-hour sessions
- One group coaching session

ABOUT INFORUM

Founded in 1962, Inforum is the only professional organization in Michigan - and one of a few in the country - that combines strategic connections, proven professional development programs, a respected forum for new ideas, and original research to accelerate careers for women and boost talent initiatives for companies. Inforum programs serve a broad range of women in different stages and types of careers - from nonprofit professionals, to emerging and rising corporate leaders, tech entrepreneurs, veterans and corporate board leaders. Inforum, a 501(c)(3) charitable and educational nonprofit, also conducts and publishes original research on women's leadership influence.
